

RADIANT HEATING AND COOLING SYSTEM

Technology and Nature in Harmony
 Creating Elegant Simplicity, Comfort,
 and Efficiency

The CelestranS™ Radiant Heating and Cooling System (patent pending) is an investment in more than just your house, your comfort, and your health:

GREATER COMFORT

LOWER OPERATING COSTS

LESS MAINTENANCE

ENVIRONMENTALLY BENEFICIAL

GREATER FREEDOM IN BUILDING DESIGN

See our website at www.sunandearth.net for more information about our company, our philosophy and our construction.
